RKSD College, Kaithal

Rashtriya Vidya Samiti (Reg.) - Growth Timeline

President's Message

It is a matter of great pride and privilege to welcome you to RKSD College, Kaithal. For decades, our institution has stood as a beacon of quality education, cultural excellence and state of the art infrastructure. Our strong commitment is to nurture young minds as per ever-changing global environment while remaining firmly rooted in the values of our rich cultural heritage.

This age of information technology requires education to be extended far beyond the boundaries of classrooms and textbooks. It is a transformative journey that equips learners with the confidence to innovate and lead. In alignment with the vision of the National Education Policy 2020, our college strives to provide multidisciplinary and learner-centric education that promotes critical thinking, research and innovation.

Our dedicated faculty, updated infrastructure, rich sports, cultural atmosphere and vibrant academic culture provide an environment where every student is motivated to discover and realize his full potential. We believe that true education shapes compassionate individuals into responsible citizens committed to the welfare of humanity.

I appeal every student to make use of every opportunity offered by the college and to uphold the highest standards of discipline, integrity, and social responsibility. Let your years at RKSD College become a foundation for intellectual growth, personal development, and meaningful career suited to serve the society.

I extend my best wishes to all students embarking on this new academic and transformative journey.

With warm regards,

Sh. Ashwani Shorewale
President, Governing Body
RKSD College, Kaithal

From The Principal's Desk

Dear Students,

It gives me immense pleasure to welcome you to RKSD College, Kaithal, an institution with a glorious legacy of academic excellence and value-based education. As you become a part of the RKSD family, you inherit a tradition that has, for decades, nurtured responsible citizens, accomplished professionals, innovators, and leaders. Our institution continues to scale new heights under the dynamic and visionary leadership of our Hon'ble Chairman, Sh. Ashwani Shorewala, whose unwavering commitment to quality education and student welfare has provided a renewed direction to the college. I also express my sincere appreciation to the esteemed members of the Rashtriya Vidya Samiti and the Governing Body, whose collective wisdom and steadfast support have enabled RKSD College to emerge as one of the premier institutions of higher education in Haryana. Their vision inspires us to continuously raise academic standards while preserving our rich heritage and values.

Education today extends far beyond the boundaries of classrooms and examinations. The National Education Policy (NEP) 2020 has ushered in a transformative era by emphasizing multidisciplinary education, flexibility in learning, skill development, research, innovation, entrepreneurship, digital literacy, and holistic personality development. At RKSD College, we have embraced this vision by creating an academic ecosystem that nurtures curiosity, critical thinking and experiential learning, empowering students to become globally competent while remaining deeply rooted in Indian values.

Our distinguished and proficient faculty, modern infrastructure, smart classrooms, well-equipped laboratories, digital learning resources, sports facilities, and vibrant co-curricular environment provide every student with opportunities to discover and develop his/her true potential. We believe that education must create not only successful professionals but also ethical, compassionate, and socially responsible human beings.

The youth of India possesses immense potential to shape the future of our nation. However, true leadership begins with discipline. Discipline is not merely about following rules—it is a way of life that builds character, integrity, punctuality, respect, accountability, and self-confidence. A disciplined student becomes a responsible citizen, an effective leader, and a lifelong learner. I encourage each one of you to uphold the highest standards of conduct, respect the dignity of others, protect the sanctity of our campus, and contribute positively to the academic environment. I also urge you to actively participate in research, innovation, sports, cultural activities, NSS, NCC, community service, and entrepreneurial initiatives. These experiences will enrich your personality, strengthen your leadership qualities, and prepare you to face the opportunities and challenges of an ever-changing world.

As Principal, I assure you that every member of the RKSD family is committed to providing an environment where excellence and innovation flourish together. Let us work collectively to uphold the proud legacy of this institution and contribute meaningfully towards building a knowledge-driven, disciplined, "Atamnirbhar" and "Viksit" Bharat.

I wish you a fulfilling, and transformative journey at RKSD College, Kaithal.

College Profile

RKSD: A PURSUIT OF EXCELLENCE

In the post-independence era, though Kaithal was a good centre of trade and commerce, it lacked the facility of higher education. A large number of young boys and girls had to go to distant places for higher studies. In 1953, some prominent persons of the city decided to set up a college in Kaithal and made efforts in this direction under the leadership of a well-known philanthropist, Seth Makhan Lal Ji. Thus, a charitable educational society named as Rashtriya Vidya Samiti (R.V.S.) came into being in 1954, which established the first college of the city "Radha Krishan Sanatan Dharam (RKSD) College." The beginning was as an intermediate college in a rented building. In due course, it was shifted to a well designed campus spread over more than 10 acres of land with lush green lawns, fully air-conditioned and well-furnished seminar rooms, common rooms, rich library, playgrounds and state-of-the-art indoor stadium etc. The laboratories are well equipped. With the patronage of the local public and ceaseless efforts of different governing bodies, Principals and the faculty of the college, it acquired the status of a PG College with a start of M.A. (Hindi) in 1976. The college continued to progress and introduced more courses like M.A. (Political Science), M.A. (English), B.Sc. Electronics, BCA, BBA, M.Sc. (Mathematics) and M.A. History Schools. In 2003, evening session was started for the benefit of those aspirants who could not get admission in the morning session.

The College continued to progress and introduced more courses like M.A. (Political science), M.A. (English), B.Sc. Electronics, BCA, BBA, M.Sc. (Mathematics) and M.A. (History).

RVS established several institutions to cater to the diverse educational and skill development needs of aspiring learners, including the Evening Session in 2003, the College of Pharmacy in 2004, the B.Ed. College in 2005, and the R.K.S.D. Naveen Avsar Skill Center in 2026.

Today, the college is recognized not only as one of the best colleges of Haryana but has also earned name and fame nationally and internationally through achievements in various fields year after year. The college has been accredited 'A' grade by NAAC in third cycle of assessment held in 2023.
