and
Haryana College Teachers' Association (HCTA)
(Representative Body of 97 Govt. Aided Colleges, Haryana)

About the College

RKSD (PG) College Kaithal, accredited with A grade by NAAC and affiliated with Kurukshetra University, Kurukshetra, Haryana (India), is a premiere Institution of Higher Education. The College has locational advantage as it is situated 200 KM from National Capital, New Delhi. Since its inception in 1954, the College has endeavoured to disseminate education with a remarkable focus on inculcating sanskaras, knowledge and all-round development of the students. As an Institution of distinct history and dynamics of growth, it is perennially indebted to the spirit and fervour of social service that manifested in the Kaithal town through the efforts of Seth Makhan Lal ji who along with a selected number of dedicated and visionary torch-bearers of community at large, served as the founder members of Rashtriya Vidya Samiti (RVS) as well as the College. Their self-sacrifice and dedication for education has continued to inspire successive governing bodies, Principals, Faculty, non-teaching and support staff to ensure that the academic space and overall ambience of this Institution flourishes in tune with the foundational as well as emerging fields and approaches in Humanities, Sciences, Commerce and Information Technology. A centre of higher education par excellence, the College provides degree courses in a number of subjects across disciplines supplementing them further with interdisciplinary skill-oriented add-on courses. In late 20th century and early 21st century, RKSD College turned to a new era of expansion, starting an ever-growing cluster of inter-dependent and fully independent institutions like RKSD College of Pharmacy, RKSD College of Education and RKSD Public School, Kaithal. The Evening Session of the college has a landmark story of its shared growth and excellence in quality education, sports, cultural activities and world class learning resources for the students. College website link: <https://rksdcollege.ac.in/>

About MVSU, Mundri, Kaithal

Maharishi Valmiki Sanskrit University (MVSU) is a state university established in 2018 by the Government of Haryana at Mundri village of Kaithal district. It is 12 km east of Kaithal and 164 km from national capital, New Delhi. University is established as a teaching and affiliating university for research in Sanskrit and its revival, Vedas, Indic languages, Indian culture and Indian philosophy. It currently operates from its temporary campus at BR Ambedkar Govt. College, Kaithal and its campus is being constructed at Mundri village. Prof. (Dr.) Rajkumar Mittal is presently the Vice-Chancellor of the University, having its charge in addition to Chaudhary Bansi Lal University, Bhiwani. Website link: <https://mvsu.ac.in/>

About Haryana College Teachers' Association (HCTA)

The rich history and legacy of the Association are embedded with the individual glories and histories of the 97 Govt. Aided Colleges of the state of Haryana. In post-independence phase of pre-expansion of Govt. Colleges and State Universities, Govt. Aided Colleges played a key role in introducing and expanding Higher Education to the community at large in different regions of the state. Since then, the fraternity of teachers working in different colleges across Haryana began to organize themselves for better working conditions as well as greater Govt. support to the Govt. Aided Institutions founded by the community leaders in terms of social service, self-sacrifice and forward-looking vision for society as one family. Overtly named on religious and caste lines, most of the Govt. aided colleges have actually disseminated education in a most non-sectarian way and practiced highest ideals of morality and standards in higher education. HCTA, formerly known as HCTU, got its current nomenclature according to Haryana Firm and Society Registration Act 2012 as a representative body of the teachers of 97 Govt. Aided Colleges of Haryana. HCTU to HCTA transition dates back to 2011, renewal of registration in June 2020 with present registration no HR-13-2020- 01807. The Association has its constitution and additional details of activities and commitments which are available at <http://www.hcta.in/>

About the Conference

The National Education Policy 2020 of India has been drafted and unfolded in a broad context of new policy imperatives of a highly competitive global scene on education, culture, and economic policies. It has drawn attention of all the stakeholders like policy makers, teachers, academic administrators and students in an unprecedented manner. It is positively located within global experiences of advances in education as a govt. responsibility as well as marketable commodity open to innovations in public and private sectors from School to Higher Education. Its key thrust is a qualitative transition towards a new and promising era of change and quality assurance. A close look at the policy document and its takeaways generates special interest among all the stakeholders in its key objectives of making education at all levels quality based, globally competitive, inclusive, employable and culturally rich. Unlike earlier national policies, NEP 2020 paves new ways to acknowledge and affirm diversity of Indian languages, culture and regions. However, the pressing nature of global changes and discourse on quality, accreditation and rankings are visibly creating anxiety among some stakeholders. Since all the stakeholders have to approach it to understand and interact with its central transformative agenda, intended goals and perceived limitations and shortcomings, this proposal is squarely grounded in the need of community.

Sub-themes

- NEP 2020 and Global Interlinkages: Quality drives as well as Policy Shifts
- NEP 2020 and future direction of School Education
- Higher Education and NEP 2020: Emerging Issues, Challenges and Opportunities
