College Profile

RKSD : A PURSUIT OF EXCELLENCE

In the post-independence era, though Kaithal was a good centre of trade and commerce, it lacked the facility of higher education. A large number of young boys and girls had to go to distant places for higher studies. In 1953, some prominent persons of the city decided to set up a college in Kaithal and made efforts in this direction under the leadership of a well-known philanthropist, Seth Makhan Lal Ji. Thus, a charitable educational society named as Rashtriya Vidya Samiti (R.V.S.) came into being in 1954, which established the first college of the city “Radha Krishan Sanatan Dharam (R.K.S.D.) College.” The beginning was as an intermediate college in a rented building. In due course, it was shifted to a well designed campus spread over more than 10 acres of land with lush green lawns, fully air-conditioned and well-furnished seminar rooms, common rooms, rich library, playgrounds and state-of-the-art indoor stadium etc. The laboratories are well equipped. With the patronage of the local public and ceaseless efforts of different governing bodies, Principals and the faculty of the college, it acquired the status of a PG College with a start of M.A.(Hindi) in 1976. The college continued to progress and introduced more courses like M.A. (Political Science), M.A.(English), BCA, BBA and M.Sc. (Mathematics). In 2003, evening session was started for the benefit of those aspirants who could not get admission in the morning session.

Today, the college is recognized not only as one of the best colleges of Haryana but has also earned name and fame nationally and internationally through achievements in various fields year after year. The college has been accredited ‘A’ grade by NAAC in second cycle of assessment held in 2017.
