An Educational Trip to Kunukshetra University

An education trip with around 60 students (boys + girls) and staff members (Prof Gilka & Prof Kapoor) was organised on 22nd Feb, 2018 to Deptt of Electronics Science, Kunukshetra Kunukshetra. A seminar was being organized on "Electronics as career option" by the electronics Deptt.. Dr Jain (Retired Prof from BITS, Pilani), now an industrialist in Ambala, gave a valuable and inspiration lecture to students telling them career options in electronics after completing their UG and PG degree. Students after attending the lecture visited the various labs in the deptt and came to know about various fabrication techniques (PC technology) and other electronics instruments. The students were very motivated and happy after interacting with chairperson of the deptt. and other faculty members.

Extension and Interactive session

An extension lecture was organized by the deptt. on. The theme of the session was "why to opt Electronics as career option and opportunities in Electronics Industry after B.Sc and M.Sc Electronics. Mr. Vikram Singh, Sr. Design Engineer from MNC (ST Microelectronics, Noida) was the speaker. He had good interactive session with the student present in the seminar room and he emphasized the basic understanding of the subject is most important to build career in industry. He shared his experience as engineer in industry and also motivated the student to join industry after B.Sc & M.Sc Electronics. Students also shared and got their doubts cleared with him. Apart from the students of B.Sc(Electronics), Computer Science & B.Sc (N.M), many teacher of Science depts also attended the session and appreciated the talk and discussion.

16.03.2019

Trip to Kasauli

A one day trip to Kasauli (Himachal Pradesh) was organised by the department on 16th march among 52 students and 4 family members. The students visited the pollution free venue of Kasauli and understood the importance of green and pollution free environment for health. During returning, the students also visited "Pinjore Garden" and appreciated the need of plantation.

5.10.2018

Quiz Competition

A department level Quiz contest competition was organized on 5.10.2018 where 15 teams consisting of students from B.Tech 1st, 2nd & 3rd year participated in the screening round. For the final contest 7 teams were short listed. There were 6 six rounds based on Electronics (Digital/Analog), Current affairs, sports and science/Engineering inventions. Based on final scores 3 teams were given prizes by the Principal, Dr. OP Gang. Many other teachers from various departments were also there.

Inter-District Science Exhibition

A team of two students Rubina (Class-Roll no - 4871) and Sankibin (Class-Roll no - 4885) participated with the two project of "object counting" in the Inter-District science exhibition held at BRA Civil college, Kaithal. The students got appreciation for their project work and nice explanation of the functioning of project.

27/02/2019

STATE LEVEL SCIENCE EXHIBITION

A State Level Science exhibition was organized by a Deptt. of Chemistry, Arya P.G. College Panipat on 27th February. Two students from the Deptt. of Chemistry participated in exhibition with their project of " Application of Separation for optional selection". Both the students got appreciation certificate of participation.

Departmental Quiz Contest

A departmental quiz contest was organized by the the dept. on 6th march, 2020. There were 9 rounds in total having 3 rounds on general knowledge and current affairs and 6 rounds were on the subject of electronics. The event was inaugurated by the college principal Dr. SK Goyal. 6 teams of each 3 students participated in the quiz. The team of Praveen(B.E II), Gurpreet(Ist) and Sittinder(IInd) got first rank (position), team consisting of Ankit, Priyanka and priyanshu got second position and the team of Sunil kundu(IIIrd), Tanveer(IInd) and Sanjay (Ist) remained at third positions. The winner teams were felicitated by principal Dr. S.K Goyal with various other senior faculties.

Online Quiz on C-Language

20.6.2020

A joint online Quiz competition^v was conducted by the deptts of Electronics and Mathematics on 20.06.2020 under the guidance and supervision of Prof. Kapil Jain from maths dep and Rajesh Singh (myself). About 330 students from Haryana & Punjab participated in the event. First, second and third winners were given cash prizes of 500/-, 400/- & 300/- respectively by the principal Dr SK Goyal.

are organizing

"Online Quiz on C-Language"

(For the students of B.Sc/B.C.A/B.A/M.Sc.)

Guidelines:

- The quiz will be conducted on 20th June, 2020 at 11.00 AM sharp.
- The quiz will consist of 25 MCQs, each question carrying 2 marks with no-negative marking.
- The students with 1st, 2nd and 3rd positions will be rewarded with cash prizes of Rs.500, Rs.400 and Rs.300 respectively.
- For participation register upto 11.59 PM, 18th June, 2020 at the given link :
<https://docs.google.com/forms/d/1Aabu8fgYVdpU38t8xPOJvixGshfF5uuVRuabKMPvS2k/edit?usp=sharing>

Department of Electronics organized an interactive session on the theme of "Amendment of laws in the field of health care" on 9.12.2021. Dr. Vikram Singh, an experienced author was the resource person. Vikram Singh addressed the students from the dept. of Electronics. Physical competition among the students soft skills along with their subjects were exposed. Prof. Dr. Dr. Sujal & Mrs. (Electronics) Prof. Sujal welcomed Dr. Vikram Singh. Dr. Sangeet Kaur invited the students to gain practical knowledge because it is the beauty of science subjects that we have the opportunity of doing practicals whatever we learn in theory. Prof. Sujal introduced the resource person and shared with the students that if Vikram Singh himself belongs to rural background and gave example that if Vikram Singh could attain heights in career then you can also achieve the same. Ravi Kumar & Neetu (B.Sc. First year) conducted the slide very nicely and effectively.
