## Coffee with Collector

The meeting with collector was very good. It was a nice experience to meet DC mam. There were many students from different colleges. DC mam shared her personal experiences relating to academics and also motivated the students for their future. She gave due respect to everyone's problems and said that their department will try their best to solve those problems. There were also other officials who shared their experiences with the students and wished them good luck for their future.

Most of the students of different colleges had problems with infrastructure. But DC mam said that she will be taking care of all those problems and she will visit the colleges also.

Also they did the counselling of the students by discussing the exam patterns of different competitive exams, especially UPSC.

Overall it was a very nice experience and we are so much thankful that we got such an opportunity to represent the college and attend the meeting.

Thanks

Firstly, I would like to thank my teachers, mentors for giving me such a beautiful opportunity to meet Mam Sangeeta Tefarwal, Deputy Commissioner, District Kaithal, through "coffee with collector programme".

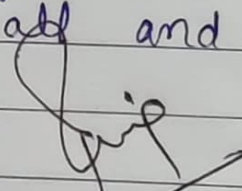

Talking about the day, it was just an amazing meeting here in a person, getting knowledge about various aspects of not <sup>only</sup> government exams but also of society as a whole. She asked students about the problems being faced by them in the achievement of their goals. Also she noted down the problems that is faced by students in their respective colleges and assured that these will be taken into consideration.

Apart from her, ~~then~~ (HCS), IPS Maqsood Ahmed Sir also shared his experience with the students.

Overall it was a nice experience and I am very grateful and privileged to represent my college and attend the meeting.
