Punjab Kesri 21-5-22

- Cinematic Adaptation/Screening of W.W. Jacobs's play 'The Monkey's Paw' was organized for the students of B.A. Semester IV on 25 May 2022.

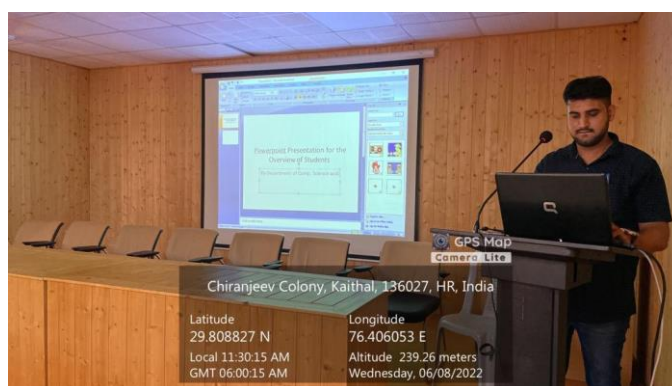

- Inter-class Poster Presentation Competition based on the One-act plays in the prescribed text 'Centre Stage' organized for the students of B.A. Semester IV on 27 May 2022.

Outcome: Development of in-depth knowledge about the subject, and enhancing students' technological adaptability.

- To improve students' understanding in interpreting literary texts through ICT tools, a four-day workshop on 'Enhancement of ICT Computing Skills' for MA English II,IV Semester in collaboration with Dept of Computer Science was organised w.e.f. 8-11 June 2022.

## DEPARTMENT OF CHEMISTRY

- Dr. Shweta Garg, Assistant Professor, Dept. of Chemistry organized a Class-room Seminar on the topic "Amino acids and Polymers" for the students of BSC medical Final year on 2 May 2022. This student centric activity was meant to boost up interest and confidence of students and enhance their understanding about the concept of chemistry in daily life as well as in the human body. Sahil, Saloni and Mandeep gave their presentations on the topic Ziegler Natta Polymerization, Structure of Peptides and Proteins, Natural and Vulcanized Rubber respectively. Student Manvi coordinated the program successfully.

- Ms. Renu Garg (Assistant Professor of Chemistry) organised a class-room Poster Presentation for B. Sc.-IInd semester (Medical & NM-SFS) students on 14 May 2022. This student centric activity was

aimed to enable the students to communicate their ideas and understanding of a topic in a concise and visually engaging format. Topics of posters were- Chemistry in Daily Life, Resonance, Semiconductors, Hydrogen bonding etc. Total 35 students took part in this activity and presented 17 posters with explanations.

- Ms. Chetna Jindal (Assistant Professor in Chemistry) organised the activity 'Wall Magazine-2022' for B.Sc. IVsem (NM & Med) students on 18May 2022. The objective of this student centric activity was to improve their creative skills, learn to work with each other and to boost their confidence. Topics of Wall Magazine were Energy Conservation, Chemistry in lab, Acids- Bases and their pH, Chemistry in Everyday Life, General Chemical Reactions etc. Wall magazines provided the students a way to Learn by Fun. More than thirty students participated in this activity and made beautiful charts/posters, which were later displayed on the notice board of the Department.

- Ms. Komal Dhiman (Assistant Professor in Chemistry) organized a Classroom Quiz Competition for B.Sc 6th semester students (Med. & NM-SFS) on 19 May 2022. Objective of this Quiz Competition was to evaluate the knowledge of students within academics as well as beyond academics while encouraging them to participate and enhance their teamwork skills. Theme of the quiz was "Chemistry in Our Surroundings". The class was divided into two teams (Boys v/s Girls) and all the students participated in quiz enthusiastically.

- A Classroom Seminar on topic "Chemistry In Everyday Life" was organised by Ms. Shinu Goyal (Assistant Professor in Chemistry) for the students of BSc-4<sup>th</sup> semester on May 17, 2022. The purpose of this seminar was to enhance the communicative skills and confidence of students. Among the students, Pallavi, Geeta, Shubham, Ayushi, Khushi, Gurpreet and Tanu gave their presentations on topics: Chemistry in Medicines, Chemistry in Food, Chemistry in Cleansing agents, Chemistry in Emotions, Chemistry in Respiration etc. Each presentation was followed by a Question/Answer session in which students enthusiastically quenched their queries.

## DEPARTMENT OF MATHEMATICS

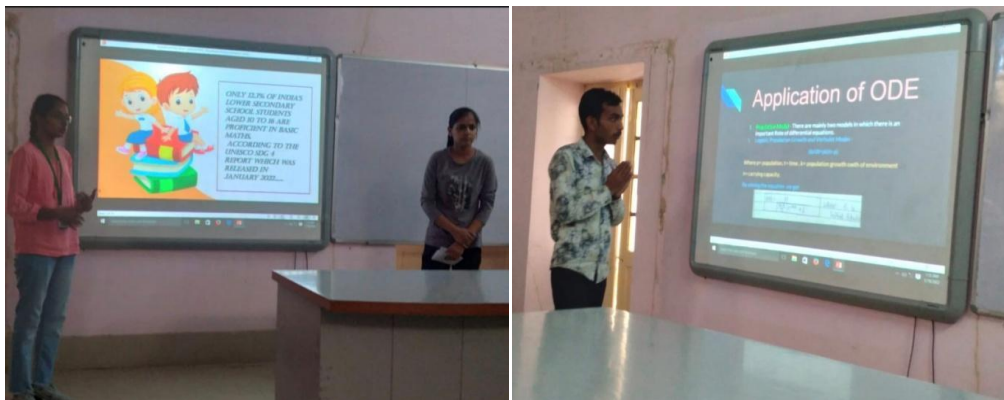

- A class activity was held for the students of M.Sc. 2nd semester on the topic of Mathematics (Optimization) on 10 May 2022. This activity was conducted by Ms Shubham. To improve logical skills and thinking ability of students this activity was conducted. About 42 students participated in it. Dr. S. S. Mehla, Head of Department of Mathematics appreciated the students. It enhanced the logical thinking, reasoning, understanding, skill and concept of the subject.

- A Seminar was held for the students of M.Sc. 2 on 16 May 2022 on the topic of Mathematics (Fuzzy Set And Its Application). This activity was conducted by Ms. Dineshto improve logical skills and thinking ability of students. About 40 students participated. Ten teams were selected. Dr. S.S Mehla, Head of Mathematics Department appreciates the students.

- A PowerPoint Presentation (PPT) Competition for students of BA/BSc was organized by Dr. Kapil Jain on 18 May 2022. Total 9 students in 6 teams participated. Aarushi and Prachi (BSc 2nd) got 1st position, Tarsem (Bsc 2nd) and Mohit (BA 3rd) got 2nd, and Anu (BSc 1st) got 3rd position in the competition. During the event, Dr. SS Mehla (Head, Department), Dr. Sanjay Garg, Dr. Seema Garg, Dr. RituMutreja and Ms. Rajvinder Kaur were present. It enhanced the logical thinking, reasoning, understanding, skill and concept of the subject.

- A quiz competition was held for the students of B.com 1st on 19May 2022 on the topic of Mathematics (Permutation & combination and Binomial Theorem). This activity was conducted to improve logical skills and thinking ability of students. It was hosted by Dr. Seema and Dr. RituMutreja. About 70 students participated in it. Ten teams were selected. Dr. S.S Mehla, Head of Mathematics Department appreciate the students. Ms. Priti Bansal and Ms. Rajvinder were present there.

## DEPARTMENT OF COMPUTER SCIENCE

- Department organised Utsav-2021 on the eve of Diwali on 29 October 2021. This event included various cultural and technical activities i.e. War of words: Debate, Cooking Without Fire, Open Mic: Poetry, Singing, Stand-up Comedy and Resume Making Competition. Around 90 students participated in this event. Principal Dr. S. K. Goyal encouraged and congratulated the students and staff of the department.

Outcome: Students learned about the Technical concepts as well as cultural concepts.

- A 10 minutes paper as technical event was organized for the students of BCA second year by Ms. Mamta Sharma on 12 May 2022 where they were asked to present paper on various topics related to computers and IT. Seven students took part in this activity and presented useful information related to Artificial intelligence, robotics, cloud computing, block chain, virtual reality, deep learning and Machine learning etc. Students learned about cloud computing, A.I. Machine Learning.
- A poster making and PowerPoint presentation activity was organised for the students of B.Sc (final) Computer Science on the topic of programming language ( SQL) by Ms. Sonia Khurana on 16 May 2022. 15 students prepared poster and PowerPoint presentation on a various component of SQL language like DDL, DML, DCL and relational model. The purpose of this activity was to raise the interest of students in the programming Language and to simplify the topic in the form of posters and PowerPoint presentations. Ankit, Harsh, Shivani, Pooja, Mukesh, Mansi, Kavita, Karamveer, Manju, Mukesh, Gurmeet and Vijay participated in the event. HoD. Dr Anil Narula appreciated the efforts of the students and encouraged them to participate in such class activities.

Outcome: This activity raised the interest of students in the programming Language and in learning skills to simplify the topic in the term of posters and PowerPoint presentation.

- A Group Discussion on “Artificial Intelligence: Killing Jobs in India or Shaping the Future” was organised on 17 May,-2022. Total 30 students of BCA 2<sup>nd</sup> year participated in the event. Dr. Matish Garg, convener of the event, motivated the students and explained to them a brief description of artificial intelligence. Principal Dr. S. K. Goyal and Head of department Dr. A. K. Narula congratulated Dr. Matish Garg and the students.

Outcome: Students learned about the artificial intelligence concept which is very important for the upcoming future.

- Ms. Shivani Gupta (Assistant Professor of Computer Science and Application) organized a classroom activity Debate on the topic “**New Education Policy**” for B.Sc 4<sup>th</sup> Sem (Computer Science) on 18May 2022. For this purpose students were divided into two teams.Ist team spoke in favour and 2nd team gave their arguments against. At the end of the session Ms. Shivani explained how these activities play an important role in their career from the Job Placement point of view. In this competition Rahul, Nishant, Chirag, Kapil, Amarnath, Kamal, Umit, Shilpa and Ashish contributed a lot with other students. Outcome: Students learned about the Group discussion which plays an important role in their career from the Job Placement point of view and awareness of the new education policy more intellectually. Dr Anil Narula HOD, appreciated the participation of students in such activities

- The department of Computer Science organized a Powerpoint Presentation on 18 May 2022. This Classroom Activity, hosted by Mr. Deepak Kumar. Sahil, Aashirwad, Dhruv, Jatin, Khushi, Riya, Shiwani, Sandeep, Tejasvi, Raghav played an important role as participants while Khushi and Shivani Presented their presentation in an efficient and well-suited manner. On this Occasion, Head of Department Dr. Anil Narula and Dr. Matish Garg made the event more interesting and inspiring with their presence and congratulated all the participants. All the Participants and students got awareness about the necessary technical skill.

## **DEPARTMENT OF ECONOMICS**

- For the better understanding of the various dimensions of the subject and for improving presentation skills the department organized a Students' Workshop on 'Economics, Economist & Economy' on May 10, 2022. 18 teams comprising 3 and 4 students each participated. Different topics like Classical Economists, Neo Classical Economists, Keynesian School of Thought, Great Indian Economist, Career opportunities in Economics, Nobel Prize Winners of Economics, Features of Indian Economy were presented through poster. Principal Dr. Sanjay Goyal were the chief guest. First prize was bagged by Team Kuldeep, Lovely, Khushma (BA II Year); Second prize was bagged by Tanishka, Mansi, Simran, Komal (BA II Year) and team Prince, Jatin, Sultan, Sonu, Sahil (BA II Year) got third prize.

- For better understanding about the various aspects of Haryana Economy, a debate on the topic 'Trends in Economic Development of Haryana' was organized in B.Com II Semester under the guidance of Dr. Ritu Kang Assistant Professor of Economics on May 18, 2022. For this purpose students were divided into two teams i.e. Boys & Girls. Boys, team spoke in favour and girls' team gave their arguments against. In this competition Samiksha, Bhawna, Jyoti, Yashika, Saloni, Arpana, Diya, Renuka, Malak, Harsh Gulshan, Aashish, Rahul, Deepak, Prince and Sunil contributed a lot with other students. Dr. Virander Goyal, Head, Department of Economics congratulated Dr. Ritu for making learning more student centric and providing students a chance to share their know-how about Haryana Economy.

## DEPARTMENT OF PUNJABI

- To commemorate the birth anniversary of Shri Guru Nanak Dev Ji, Department of Punjabi organized the chart making competition on 17 February, 2021. Students glorified the teachings of gurus through the art of chart making. Meenakshi, Sangeeta and Rajni of BA 5<sup>th</sup> sem. and BA 1<sup>st</sup> sem. bagged first, second and third positions respectively. Principle Dr. Sanjay Goyal congratulated the students for their wonderful presentations and participation.

- On 7 January, 2022 Department of Punjabi organized an Online Quiz competition in which approximately 100 students of Punjabi participated. The event boosted up the confidence of students and enhanced their knowledge in learnings. Rajni B.A. first sem., Preeti B.A. fifth sem., Sonia B.A. 5th sem. got first, second and third positions respectively.

- To commemorate the International Mother Tongue day, Department of Punjabi organized an Essay Writing Competition on 21 Feb, 2022. The aim of this event was to make the students aware regarding the importance of mother tongue. Students excitedly participated in this event. Rajni, Mehak and Jaikiran (B.A. 1st sem.) got first, second and third positions respectively.
