Ambala Road, Kaithal -136027 (Haryana)

RKSD (PG) COLLEGE, KAITHAL

Annual Report

A warm welcome to you all!

Swami Vivekananda has rightly said: "Education is the manifestation of the perfection already present in man".

RKSD (PG) College, Kaithal holds a special place in the field of higher education, not only in Haryana but in the entire northern region. Since its inception in 1954, the college has shown full commitment to innovation and to serving the needs of its community. Today, it is recognized as a multi-faculty, post-graduate, co-educational, government-aided, premier institute of Haryana focusing on refining the strategic directions and identifying opportunities for the all-round development and growth of the students.

It is because of the commitment and dedication of the management, faculty, non-teaching staff, and the diligence of students, that the college has become a centre of excellence and a vibrant place to learn, work, and explore. Those, who get admissions here after cutthroat competition, feel enthusiastic for being a part of an institution which gives them a fine blend of tradition and modernity. The visionary guidance of the management under dynamic leadership of Hon'ble Sh. Saket Mangal Adv., the President, has enabled us to constantly respond to the challenges of a changing higher education system by defining our strengths and building on our distinctive character and identity.

Every student is bestowed with the requisite potential and our aim is to see that this potential is realized and fulfilled. To achieve this, we give equal importance to academics, sports and extra-curricular activities. In this highly competitive world, the College stands as a beacon, committed to provide state-of-art facilities to its students. The Teaching-learning process is mainly student-centric. In fact, the College is at forefront of work-integrated learning and places emphasis on continued professional development while providing the tools and support necessary to succeed. Today we provide quality education to more than 5000 students in Morning and Evening session of the college in 17 subjects and 4 faculties- Science, Arts, Commerce and Management. We have very prominent participation in sports and cultural activities.

Even in the tough times of COVID-19 pandemic, we did not compromise with the quality of education. We adapted ourselves effectively and rapidly for the changed academic scenario. Similarly, our non-teaching staff and support staff has always been committed to smooth administrative services and support to students. State-of-the-art infrastructural facilities are continuously being added to the institution. A new block has been constructed to accommodate the ever-increasing number of students. Our ethical responsibility towards environment has prompted us to install a Solar Power Plant of 165 KVA and five groundwater recharge structures. In addition to this, the College has also been equipped with a boxing ring, an open gym, a lawn tennis court, a centralized water purifier system and a chilling plant for the benefit of the students. The College library has been fully renovated. Its ambience is now more conducive to study for long duration. It is fully air conditioned which makes it more useful to the student community. To cater to the academic needs of the users, it has been upgraded in providing resources for better research, teaching and learning. A modernized cafeteria having all facilities considering all modern means of hygiene and refreshment is under construction. It will soon open for the students so that the students may have quality food and drink, at the same time a space for informal discussions and community life within the campus.

The college campus is under the surveillance of 70 CCTV cameras at strategic positions and equipped with public sound system. A security agency has been engaged to provide round the clock security to the premises. A water purifier plant, in addition to 9 water coolers, has been installed to provide hygienic drinking water in the campus. A dispensary in coordination with RKSD (PG) College of Pharmacy is working in the college. The services of Medical Officers are arranged as and when required.

I hope, RKSD (PG) College, in its pursuit of excellence, proves to be the best place for the students. We look forward to the success of the students in their lives and further association with the institution as proud alumni and successful citizens

Wishing you all the very best!

Dr. Sanjay Goyal
Principal
RKSD (PG) College, Kaithal

National Service Scheme (NSS)

- We stand for and with people, no matter even if it is a pandemic, our motto allows us to help people in every manner possible. Since, NSS Units of our college during Covid-19 couldn't reach out to vulnerable people physically; we changed our way of approaching and sensitising. Our major way to do so was through our social media platforms, NSS started multiple campaigns to educate, normalize and help different audience on social media platforms.
- Our campaign to promote health and safety included multiple posts to keep audience up to date with all required information on COVID-19. We also clarified all myths around COVID-19 through this campaign.
- NSS units actively participated in Haryana Government's "Harit Haryana Abhiyan and Unnat Haryana Abhiyan" launched in July 2020 to promote an oxygen rich environment by planting trees in every nook and corner of the village, district and part of the State.
- NSS volunteers planted trees in their surrounded areas and posted pics on government launched Geo tagging app on 10th August, 2020.
- 15th August, 2020 was celebrated with great zeal in the college. Flag hoisting ceremony was performed by management and worthy Principal of the college.
- A tree plantation programme was organized in Indoor stadium of the college on 17th August, 2020.
- About 130 NSS volunteers registered themselves on Apda Mitra Portal to provide volunteer services to district administration to fight pandemic. A disaster management programme was also organized on 18th August, 2020.
- Keeping in mind the need to stay fit and healthy, E-Poster competition on 'Fit India Youth' was organized and a Fit India Freedom Run was launched on 30th August, 2020.
- NSS day was celebrated on 24th September, 2020 with strong fervor and zeal so as to remember and

RKSD (PG) COLLEGE, KAITHAL

keep working on achieving the motto 'Not Me, But You'.
