## **GENDER SENSITIZATION ACTION PLAN (2021-22)**

- Encourage mentorship programs where senior female students guide and support incoming female students.
- Organize career counselling sessions specifically tailored for female students to explore diverse career options.
- Implement self-defence workshops to empower girls and enhance their sense of security.
- Foster a culture of inclusivity by promoting gender-neutral language and behaviours across campus.
- Collaborate with local NGOs or organizations working on gender equality to host awareness campaigns or guest lectures.
- To create a platform for open discussions on gender-related issues to promote understanding and empathy among students.
- Establishing a scholarship program specifically for outstanding female students to encourage academic excellence.
- Conduct regular surveys or feedback sessions to assess the effectiveness of the gender sensitization initiatives and make necessary improvements.
